## Introducing Brokers & Affiliates Programmes - May 2017

### WHITE LABEL PROGRAMME

We offer white label solutions to several brokerage firms, banks and asset managers around the globe. Our partners can take advantage of our current infrastructure and risk management. Our full back-office and integrated markets consolidator allows our partner to focus on client acquisition, having the best set of products and flexibility available in the markets.

### INTRODUCING BROKERS

Our technology completely disrupted the financial markets, with several customers around the globe using our cutting-edge softwares and back-office systems. Produce reports to your clients in light speed and manage your client acquisitions effectively. With Direct Derivatives you will have access to more products, while keeping the flexibility of customising your offering.

### MONEY MANAGERS

Nowadays a millisecond can completely change the game in the market. A strong operating infrastructure and set of trading softwares that can absorb low latency is a must. Direct Derivatives accounts with dozens of platforms designed to different strategies, and connects to them the same multi-market infrastructure, allowing you to get more ROI from a larger set of financial opportunities.
